Safe Return Plan Updated

Safe Return Plan text and assurances must be agreed to every six months.

Date Plan Updated

Describe how the LEA will ensure continuity of services including but not limited to services to address students' academic needs and students' and staff social emotional mental health and other needs which may include student health and food services. (993 of 1000 maximum characters used)

Approaching maximum character limit.

One district provides an in-person instructional model that incorporates the use of google classroom/sheets activities, online programs & use of Zoom/Google Meet for in-class assignments, & data analysis to meet the individual needs of students while adhering to the curriculum approved by the Florham Park BOE. Through the use of certified staff, PD, I&RS, contracted services, the CST, BSI & the ESL department, the district continues to provide multi-tiered, intervention services to address

Describe how the LEA sought public comment on its plan and how it took those public comment into account in the development of its plan. (329 of 1000 maximum characters used)

The district provided the opportunity for public comment at the open public board of education meeting that took place on July 31, 2023 when discussing The "Emergency Virtual or Remote Instruction Plan for the 2023-24 School Year" and has been provided with the opportunity for public comment at the October 30, 2023 BOE meeting.

Describe how the LEA ensured that the plan is in an understandable and uniform format; is to the extent practicable written in a language that parents can understand or if not practicable to provide written translations to a parent with limited English proficiency will be orally translated for such a parent; and upon request by a parent who is an individual with a disability as defined by the ADA will be provided in an alternative format accessible to that parent. (271 of 1000 maximum characters used)

The district's plan was created using the template provided by the New Jersey Department of Education. Translation services will be provided upon request and can be done via Google Translate. This plan will be posted on the district's website following public comment.

Briefly describe any guidance professional learning and technical assistance opportunities the LEA will make available to its schools. (214 of 1000 maximum characters used)

Professional learning and technical assistance will continue to occur via PLCs and/or at scheduled professional development training moments within the school calendar and/or individually to address specific needs.

Provide current link to the district's website where the plan is posted.
