

Summer Reading

Hello Boys and Girls,

Congratulations. You are officially a student of Brooklake School. This is your first assignment as a third grader.

Over the summer, the third grade teachers would like you to read at least one book. Please choose a book that is challenging and that you have never read before. If you are not sure if a book is right for you, try the Five Finger test.

First, turn to any page in the book. Then, begin to read. If there are 5 or more words that you can not pronounce or do not understand the meaning of, then the book is too difficult. On the other hand, if you can read and understand the meaning of all of the words on the page, it is too easy. A “Just Right” book should fall somewhere in the middle.

After you have read the book, please fill out the attached sheet as neatly as possible. Make sure that to use capital letters where necessary and check your punctuation.

Hand in the “Here’s the latest Scoop” worksheet to your teacher on the first day of school. We will complete a writing assignment using the answers you have provided.

Have fun reading,

The Third Grade Teachers
