SECURITY

The superintendent shall investigate and utilize all efficient and economical methods of safeguarding district facilities from theft and vandalism. He/she shall cooperate with the commissioner of education in this effort by reporting all incidents of violence and vandalism as required by law.

The board will initiate legal action to seek restitution from any person guilty of vandalizing district property.

Security also includes:

- A. Minimizing fire hazards;
- B. Reducing the possibility of faulty equipment;
- C. Keeping records and funds in a safe place;
- D. An adequate key control system.

The board directs the superintendent to develop administrative regulations to enlist the cooperation of pupils, staff, parents/guardians and the community in safeguarding district property.
