G. SUPERINTENDENT'S REPORT - Dr. Caponegro reported on the following:

1. Current Enrollment

- a. Our current enrollment is at 1005 students.

2. HIB Report

- a. There has been 0 completed HIB investigation provided to the BOE for all 3 buildings since last month's meeting. It should be noted that though an HIB may be deemed as unfounded, intervention is provided to address the incidences.

3. Drill Report - BWD, BKL, & RMS conducted their mandatory drills this past month.

4. Referendum Communication Update

- a. Since our last BOE meeting, Mr. Csatos, our business administrator, Mr. Infantolino, our Supervisor of Buildings & Grounds, and I have met four times with our architects and engineers from LAN associates, on Feb.6th, Feb. 13th, Feb.20th, and Feb.24th. These meetings with LAN associates usually lasts from 9am to 6-7pm, so I wanted to thank Mr. Csatos and Mr. Infantolino, specifically for their input and time.
- b. We also met with the Liberty Lighting Group on Feb.7th to view the proposed lights and its features.
- c. We met with Weatherproof Technologies and LANE today for them to present the roof proposals for the BWD & BKL elementary school
- d. We met with our BWD & BKL Leadership #1 Cohort graduates on Feb.18th to discuss ideas to make the transition to the summer capital projects, and packing of the rooms as smooth as possible for the BWD & BKL staff members. The Cohort thanked the district for meeting so early and being proactive with this transition and the summer projects.
- e. These referendum updates and items were also discussed with our district's TAB committee on Feb.19th, which stands for TEacher-Adminihstrator-Board, as well as with the executive PTA members on Feb.20th

5. Niche Meeting - Upgraded

- a. I am happy to inform you that after months of contacting NICHE-Places to Live, the district was upgraded to an A- status. I presented Niche with information that they currently did not have an answer for, such as whether the district loses points for the criteria under graduation rate and AP courses offered. Another meeting is scheduled to further discuss. The representative did laugh and say according to their records, the district certainly contacted Niche multiple times.

6. Halos for Angels Donation "Giving Back Program"

- a. The district would like to thank Karen Casolaro and the Halos for Angels "Giving Back After-School Initiative Program" for their \$700 donation. Holas wrote a letter - " Dr. Caponegro and to The Florham Park School district - Thank you for your unending support of Halos. Please accept our giving back donation as a way to thank you for your jointure in Halos. We greatly appreciate your generosity and support of our community family." Having met with Mrs. Casolaro, we decided that the donation should go towards the self-contained special education programs community outreach initiative where students apply learned self-help and vocational skills within the local community.

7. Increased Networking

- a. As many of you are aware, the District and I are trying to increase our networking and relationships with local agencies and districts. Just this month, we have had meetings with the local YMCA in Madison, Life Time, FDU, Seton Hall, Total Gym, Madison and E.Hanover Schools, the Hanover Park Regional High School, and with the county department of education offices. In fact, the County Superintendent was so impressed with her visit from the summer, that she will be visiting the district again on March 4th.

8. Document Manager Update

- a. Following up from our last BOE meeting, each building's parent document manager should now mirror each other with the date of the flyer and name indicated. Parents should now be able to view the month's items, when they were uploaded, and also perform a "Find/Search" for particulars.

9. Childcare/Camp Opportunities (Sept.)

- a. Thus far, I have received positive feedback regarding the communication of the 2020/21 calendar. Though many indicated that though a calendar is never ideal, they appreciated the district's rationale and how we communicated the items surrounding the referendum to the public. Am per my letter sent this past Friday, which has also been posted on the District's and the Florham Park Community's Facebook page, on our district announcement site, and also on this coming Wed parent flyer, the district has met with and provided multiple options for child care / camps, such as New Horizons (operating out of RMS), Life Time, the YMCA, Hoop Heaven, and USA Sports. Many of the camps offering before/after care options as well.

10. Progressive Supervision Training

- a. Throughout the year, the administrative team has been provided training on progressive supervision models and strategies to staff demonstrating need. I am happy to report that on February 19th, the Administrative Team was provided further training by Oakridge Consulting on the progressive supervision model to not only assist specific staff members, but also to further assist the administration with drafting each part of the three tiered intervention model. This model was also reviewed with the FPEA President on Friday, February 21st. The entire administrative team indicated that they were very pleased with the training and I would like to thank the Board for supporting this training opportunity.

2. Fiscal Year 2020/21 SEMI Program

Whereas, N.J.A.C. 6A:23A-5.3 provides that a school district may request a waiver of compliance with respect to the district's participation in the Special Education Medicaid Initiative (SEMI) Program for the 2020-2021 budget year, and,

Whereas, the Florham Park Board of Education desires to apply for this waiver due to the fact that it projects having fewer than 40 Medicaid eligible classified student OR participation in SEMI would not provide a cost benefit to the district based on the projection of the district's available SEMI reimbursement for the 2020-2021 budget year, and,

Whereas, the waiver request is based on the 2020-2021 Revenue report received from the NJDOE, the free and reduced lunch count for special education students and pending the 2020-2021 Revenue Projection report from the NJOE and,

Now Therefore Be It Resolved, that the Florham Park Board of Education hereby authorizes the Chief School Administrator to submit to the Executive County Superintendent of Schools in the County of Morris an appropriate waiver of the requirements of N.J.A.C. 6A23A-5.3 for the 2020-2021 School Year.
