RE: 2022/23 School Calendar, BOE Meeting Location Change, COVID Reminders, Emergency Days

Dear Florham Park Parents/Guardians and Staff,

Please find information pertaining to the above cited district communication items. Should you have any questions, please do not hesitate to contact your school nurse regarding health related matters or your school principal for other procedural items.

2022/23 School Calendar [\(link\)](#)

◦ Please find the link to the Board of Education approved [2022/23 school calendar](#). This calendar has been placed on the district and school website for future reference.

Board of Education Meetings - Location Change (Ridgedale Middle School Learning Commons)

◦ The Board of Education approved to move the location of future Board of Education meetings to the newly renovated Ridgedale Middle School Learning Commons starting in December 2021. This location change will be cited on our website, as well as in future notices. Please enter through the Board Office/Gym doorways.

After School Activities - Masks (Reminder)

◦ The Governor's executive order mandating masks to be worn within schools also applies to students, parents and community members who come out to support our after school activities that take place within the schools.

Vaccinated Individuals, Close Contact - COVID-19 Activity Level, International Travel (Reminders)

◦ Please reference the district communication letter dated [10/06/21](#) for information pertaining to vaccinated individuals, Close Contact - COVID-19 Activity Level, and International Travel. Currently, this information and the procedures have not changed. Any updates will be communicated to our school community.

Emergency Days/Snow Days/2-Hour Delayed Opening/ Early Dismissal

- With winter weather approaching, be reminded of early dismissal/delayed opening times- [BWD](#), [BKL](#), [RMS](#).
- As per the State and NJDOE, virtual/remote learning only qualifies as an official school day during emergency school closures that last more than three consecutive days. Therefore, for typical winter weather related school closures that last less than 3 consecutive days, virtual/remote instruction cannot be an option at this time.

We hope to see many of you at our holiday concerts, winter sports and upcoming RMS drama performance!

Sincerely,

Steven Caponegro
