**RE: Symptomatic Students, Appropriate Mask Wearing**

Dear Florham Park Parents/Guardians and Staff,

As we enter the winter months, we would like to stress two important items:

**1) Symptomatic students (COVID, Cold/Flu Season)**

- Recently, several students had to be sent home from school upon arrival due to being symptomatic. As the district continues to adhere to Covid-19 health/safety protocols and rising COVID numbers in our region, as well as entering the *Cold and Flu Season*, please remember to keep your child(ren) home from school if symptomatic to minimize exposure. (Link to FP [Daily Screening Assessment](#))

**2) How to appropriately wear a mask**

- Please reiterate with your child(ren) the importance of appropriately wearing a mask. We are continuing to remind students that masks are not worn under their chin or their nose, and these reminders do interrupt instruction. Your help at home with these reminders will greatly assist staff.
- [CDC - How to correctly wear a mask](#)

Thank you for your understanding, cooperation and assistance as we continue to work as a team!

Sincerely,

*Steven Caponegro*
