

Dear Parents/Guardians and Staff,

I hope that you are enjoying your Memorial Day weekend. As we gather with family and friends for a BBQ or outing, let us remember... Memorial Day is a Federal holiday, observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military. Originally known as Decoration Day, it originated in the years following the Civil War and became an official Federal holiday in 1971. Many Americans observe Memorial Day by visiting cemeteries or memorials, holding family gatherings and participating in parades.

On this weekend, let us remember, honor and appreciate these men and women.
